

Dear: Pēwāsēnākwān Families

December 2024

*December is here!!*

*Remember families, the snow is here! Please make sure your little ones are dressed for the weather. Dress them in layers. We try to send them outside as much as possible as they need it to burn their energy. If it gets colder than -27 (with the windchill), it is mandatory that the students will stay inside. We have toques and gloves for those who need it. We are collecting snowsuits (jackets, ski pants and boots) for those who need so if you have some to donate, we will kindly take them from you.*

*We are seeing more and more kids at school every day and this is so good to see. Continue to send your kids to school so that they can go with the Principal and Vice-Principal on special perfect attender fieldtrips.*

*Ms. Lianna MacDonald, Principal*
